

i-CARE ALUMNI CARE FUND

· GIVE BACK · SUPPORT · EMPOWER ·

Why i-CARE?

Financial hardship should never stand in the way of education. i-CARE helps students at INCEIF University stay focused on their goals, not their financial worries.

This initiative is **powered by our alumni**—those who once walked the same halls, faced similar challenges, and emerged as successful professionals. Your contribution can **change lives** and create opportunities for the next generation of INCEIF scholars.

How Your Contribution Helps?

ESSENTIAL LIVING EXPENSES

Assistance for food, housing, and daily needs.
